

THE COMPLETE TITLE SHOULD BE CAPITALIZED, in the Left of the Page in Times New Roman font, 14 Point

Smith B.¹, Jones D.¹, Andrews R.A.^{1,2}

¹. Royal Hospital, London, United Kingdom

². University of New South Wales, Sydney, Australia

Authors: (Times new roman size 12 point, left) Initials and Surnames for every author must be provided. Do not include degrees or titles. The name of the presenting author should be underlined.

Affiliations: The affiliations should be typed under the list of authors' names. Each author should be listed by institution, city, state/province and country. The name may include department, division, laboratory, etc. In abstracts where the authors have different affiliations, please indicate for each author the number of the corresponding affiliation – use a superscript.

Text: Abstract text must be in Times New Roman font, 12 point size, single space and justified. **It should not exceed 2500 words.** Abstracts will be reproduced exactly as submitted and will not be edited in any way. Abbreviations should be kept to a minimum. Use of standard abbreviations is acceptable. Place special or unusual abbreviations in parentheses after the full term for the first time it appears. Authors are responsible for the content and presentation of their texts. Submitted text should not contain advertising.

Please, try to distribute the text in the following sections:

Purpose: In one sentence, explain the specific purpose of the project.

Material and Methods: Briefly describe methods implemented throughout the project. List key steps carried out, tools used, and timeframe.

Results: Summarise the results from the project and include sufficient evidence to support the results and to identify what changes have emerged. The evidence must support your conclusions in the next section.

Conclusions: Based on the results that has been reported.

Literature Reference (optional list of maximum 4 or 5 sources)

Accepted file formats: doc, docx, rtf
